How to read this: your first match is shown in the dark green box. After that, **the time windows are the same whether you win or lose** — winners continue in the championship bracket (green path), losers move into the placement bracket (grey path), so you keep playing at every listed slot either way. The exact court and 20-minute slot inside each window are posted at the venue as soon as the previous round finishes. Opponent names come from the official court schedule; the draw sheet may differ, so confirm at the desk on the day.
